SOLUTION

WHY billztrack

Safe Cost Effective Easy to Use

Are you a...

**Utility Company, Municipality, Healthcare
Provider or Commercial Business?**

NEED TO UPGRADE BILLING TECHNOLOGY?

Keep billing statements in one location with
immediate access to billing history.

LOOKING TO CUT COSTS?

One time set up fee, minimal hosting fee,
and reduce overall postage.

WANT TO ORGANIZE DATA?

An infinite capacity to store and
review client bills and billing history.

**Our easy to use
customizable
system allows your
business to brand
your company,
communicate important
information, and create a
unique look and feel.**

YEAR	DESCRIPTION	ASSESSED VALUE	ASSESSED TAX	TAX RELIEF	TOTAL TAX
2004	CHEVROLET COLORED 1K2001347810088	8500	131.75	75.10	56.65
					56.65

**In one year, by switching from paper to
electronic billing statements, the average
American household would save 6.6
pounds of paper.**

**Imagine if your business made this
small change what a big difference
you could make to the environment.**
-USA Today

**We have the ability to offer you the
choice of delivery methods,
electronic or paper.**

**"I look forward to speaking with you
soon about billztrack and how it can
streamline your business."**
Leif Aagaard, Jr., Vice President

Our facilities span over 80,000
square feet and are equipped with
the highest regard to security.

Our SSAE 16 compliance
guarantees the privacy and
security of your data.

SAFE

A trusted way to privately manage
your statements online in an effort
to better track your payment status
and billing history.

COST EFFECTIVE

- One-time set up fee
- Monthly hosting and archive fee
- Minimal cost per e-statement
- Reduce overall postage expenditures

EASY TO USE

Our easy to navigate system allows
you to upload and download files with
the click of a mouse. Our vast search
capabilities allow you to manage your
customers and content 24/7.

Our web-based solution will reduce
the amount of time and money
businesses incur when billing and
mailing to their customers.

It simplifies the uploading of files and
proofing of statements.

Customizable Statements

The electronic bill customers see will mirror
the paper statement that they received via
the US Postal Service.

Provide customize home page by client.

Provides opportunities for branding and
marketing through banner advertising.

According to Consumer Reports, identity
theft occurs more often to those who pay
bills using paper billing methods.

ACCESS

Using your unique log-in, you will be able
to access and manage all of your customer's
account information and history. Supply
your own images and custom design your
email messaging and announcements.

ARCHIVE

An asset to customer service departments
as they can search our secure database
and review individual bills and bill history.

SECURE

We offer a dedicated on-site server that
secures a unique database which
passes encrypted transmissions and
blocks international IP addresses.
We also maintain an off-site disaster
recovery server.
